

IRN Terascale @ Bonn

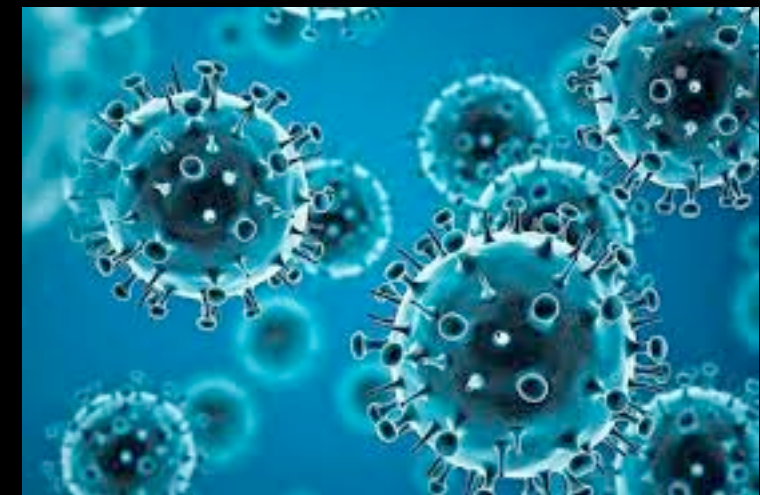

Made possible by funds from the Université franco-allemande / Deutsch-Französische Hochschule.

Université
franco-allemande
Deutsch-Französische
Hochschule

Finally in Bonn!

From the famous last words in Oct 2019:

- **Next meetings: April 2020 Clermont-Ferrand organized by Jean, Ana and Samuel, September 2020 Bonn (Bethe Center for Theoretical Physics) organized by Klaus Desch, Philip Bechtle and Herbi Dreiner**

And in November 2020:

- **Next meetings: 2021**
 - **in Clermont-Ferrand organized by Jean, Ana, Andreas and Samuel**
 - **in Bonn (Bethe Center for Theoretical Physics) organized by Klaus Desch, Herbi Dreiner and Philip Bechtle**

And in November 2021:

Next meeting: hosted by colleagues from Bonn
@ Physikalisches Institut der Universität Bonn

28 - 30
March 2022

Thanks to the Université franco-allemande / Deutsch-Französische Hochschule who accepted again and again to postpone the funds ! And to the LOC who has been busy (re)organising things

Timetable

- This afternoon: Higgs
 - Tuesday
 - morning:
 - BSM
 - afternoon:
 - Special session on the recent anomalies in B meson decays
 - Dark Universe
 - evening: dinner at Brauhaus Bönnsch
 - Wednesday morning:
 - Methods and Tools
- Lunches tomorrow and Wednesday are on your own in Poppelsdorf, see a list [here](#)
