

Workshop on Fission Fragment Angular Momenta

jeudi 23 juin 2022

Gamma ray multiplicities and spectra (08:30 - 09:00)

time	[id] title	presenter
08:30	[25] Measurement of prompt fission gamma-ray spectrum of $^{235}\text{U}(\text{nth},\text{f})$	NISHIO, Katsuhisa

Gamma ray multiplicities and spectra (11:10 - 12:25)

time	[id] title	presenter
11:10	[16] Correlations between fragment angular momentum and excitation energy	GHIA, Nathan MARIN, Stefano
11:55	[24] Measurements of γ -ray multiplicity correlated with fission fragments mass and kinetic energy	PIAU, Valentin
