

Line-of-sight effects in gravitational lensing

vendredi 10 juin 2022

Cosmology with strong lensing: Talks - Salle des doctorants (10:00 - 12:00)

time	[id] title	presenter
10:00	[5] Line-of-sight shear and beyond	FLEURY, Pierre
10:40	[9] Measuring the line-of-sight shear with Einstein rings (TBC)	Dr HOGG, Natalie
11:20	[10] Line-of-sight effects in strong-lensing time delays (TBC)	M. JOHNSON, Daniel

Cosmology with strong lensing: Discussion - Salle des doctorants (15:00 - 16:30)

-Présidents de session: Pierre Fleury
