

Paris workshop on Bayesian Deep Learning for Cosmology and Time Domain Astrophysics

mardi 21 juin 2022

Uncertainties - Buffon Amphitheater (09:15 - 10:35)

time	[id] title	presenter
09:15	[88] When (not) to use uncertainties for ML in particle physics	BUTTER, Anja
10:15	[93] Sampling high-dimensional posterior with a simulation based prior	REMY, Benjamin
