

# Paris workshop on Bayesian Deep Learning for Cosmology and Time Domain Astrophysics

## mercredi 22 juin 2022

### Gravitational Waves - Buffon Amphitheater (14:30 - 15:50)

time	[id] title	presenter
14:30	[118] Simulation-based inference for gravitational waves	GREEN, Stephen
15:30	[99] Fast Parameter Estimation for Massive Black Hole Binaries with Normalising Flows	KORSAKOVA, Natalia
