in the Venture Studio, room: **Night** (see [Startup Village map](#)).

Directions

The easiest way to get to Science Park (and to get around in general) is by bike. There are many places where you can rent a bike, probably also at your hotel.

There is a bus stop (bus **40**) just in front of Startup Village, bus stop: **Science Park Terra**.

The nearest train station is **Amsterdam Science Park** (see the website of the Dutch railways [NS](#) for travel information). From there it is an 11 minute walk to Startup Village, see the map for the route:
