

From initial gluons to hydrodynamics: Gluons inside hadrons and their thermalization

lundi 24 octobre 2022

Initial state information from hard inclusive and hard exclusive particle production: session exclusive reactions (14:00 - 17:35)

-Présidents de session: Francesco Bossu

time	[id] title	presenter
14:00	[7] GPDs and energy-momentum tensor	LORCÉ, Cédric
14:30	[8] Energy-momentum tensor for the nucleus from GPDs	FUCINI, Sara
15:00	Coffee break	
15:20	[6] GPDs and UPC measurements	WAGNER, Jakub
15:50	[9] Event generators of nuclear exclusive reactions	TOLL, Tobias
16:20	[10] Discussion round
