

Deep learning meeting

2022/04/28
First meeting

Meetings ? When ?

- One / month
- Max 1 hour / meeting
- 2 or 3 topics / meeting
- Technical oriented meeting :
 - Software
 - Which library ? Which version ?
 - Homemade tool, tell us
 - Hardware
 - GPU or cpu or tpu or fpga ?
 - Where ? CPPM, Centre de calcul ? Aws ?

Topics

- We will talk about problems
 - I am student, i try to solve this problem ..
 - Any insight ? Advice ? Is it a known problem ?
 - I have this technical issue... What do you think ?
- Successful stories :
 - This is my strategy, I will go into details
 - How to overcome this specific problem : memory usage, multi gpu,
- Practical share :
 - I found a wonderful tool : this is why it is so cool
 - Maybe hands on session ?

Who are you

- Can you present yourself ?
- Level on deep learning ? Actually doing it ?
- Where ? ...
