

Cosmic Rays in the Multi-Messenger Era

lundi 5 décembre 2022

Low energy cosmic rays: Low energy cosmic rays - APC Laboratory (14:30 - 16:30)

time	[id] title	presenter
14:30	[4] Results from AMS-02	ZUCCON, Paolo
15:00	[5] Interpretation of the antinuclei data	KACHELRIESS, Michael
15:30	[6] Making sense of recent results on electrons and positrons from cosmic ray experiments	EVOLI, Carmelo

Low energy cosmic rays - APC Laboratory (17:00 - 18:30)

time	[id] title	presenter
17:00	[7] Secondary particles in the Galaxy, the role of cross sections	DONATO, Fiorenza
17:30	[8] Cosmic Ray abundances	TATISCHEFF, Vincent
18:00	[30] Discussion: low energy cosmic rays
