

# LISA data analysis: from classical methods to machine learning

## mardi 22 novembre 2022

### Training session 3 (14:00 - 17:30)

time	[id] title	presenter
14:00	[43] GW Parameter Estimation with Bayesian Machine Learning - Part 1 (theory)	GREEN, Stephen
15:30	Coffee break	
16:00	[44] Gaussian Process Regression - Part 1 (theory)	BABAK, Stanislav
