

Thematic school GWsNS-2023: Gravitational Waves from Neutron Stars

jeudi 8 juin 2023

Ultra-dense matter in neutron stars and supernovae: Lecture (09:00 - 10:30)

Ultra-dense matter in neutron stars and supernovae: Lecture (11:00 - 12:30)

Ultra-dense matter in neutron stars and supernovae: Hands-on session on numerical simulations (14:00 - 17:00)
