To get out in the evening

Push this button to open the gate

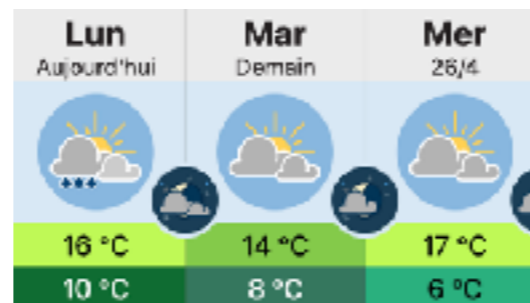

Practical details

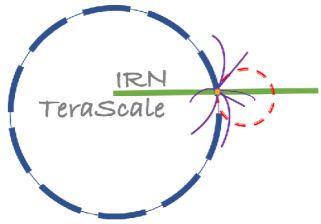

- **Wifi: Eduroam** (recommended) or LPSC-Guest

To use LPSC-Guest, you have to register (log-in screen opens upon first connection) and choose a local contact for validation

- Speakers please **upload your slides on Indico** !
- Guard at the **main gate** is present 7:00-14:30.
Outside this time the gate is closed; you need somebody to let you in.
- In case of problems or questions **ask Jérémie or Sabine, Marie-Hélène**, or one of the local students/postdocs.

- Weather: 😞
