

# Conference on Quantum-Many-Body Correlations in memory of Peter Schuck (QMBC 2023)

## mercredi 22 mars 2023

**Wednesday 16:00-18:00 (16:00 - 18:00)**

**-Présidents de session: Jean-Paul Blaizot**

time	[id] title	presenter
16:00	[168] Nuclear pastas in neutron stars: uncertainties of ETFSI approach	SHCHECHILIN, Nikolai
16:30	[192] Cluster structures in light nuclei	ZHOU, BO
17:00	[191] Thermodynamics of quark matter with multi-quark clusters in an effective Beth-Uhlenbeck type approach*	BLASCHKE, David
17:30	[174] The neutron star crust in the liquid phase	Prof. GULMINELLI, Francesca
