

Conference on Quantum-Many-Body Correlations in memory of Peter Schuck (QMBC 2023)

jeudi 23 mars 2023

Thursday 09:15-10:45 (09:15 - 10:45)

-Présidents de session: Giancarlo Calvanese Strinati

time	[id] title	presenter
09:15	[169] Josephson effect at finite temperature throughout the BCS-BEC crossover with the inclusion of pairing fluctuations	Dr PISELLI, Verdiana
09:45	[196] Ultracold fermions: from Nuclear to Atomic Physics	SALOMON, Christophe
10:15	[164] Three-body contact of the resonant Fermi gas	Prof. LEYRONAS, Xavier
