## Questions

*If you have questions, don't wait for the Q&A sessions*

*For the very young:*

*There's no such thing as a trivial question.*

- *If most of the audience knows the answer, the question will make them feel good*
- *If most of the audience does not know the answer, all of them have the same question*

## Lunches & coffee breaks

*Will take place upstairs, in the Grande Galerie  
(just go past the desk where you registered)*

*We did our best to take into account all your food restrictions.  
But we're not perfect*

## Welcome reception tonight
