

# JUNO EU-AM meeting

## jeudi 11 mai 2023

**Supernova neutrinos: Report for the Supernova neutrino PWG 10'+5' - Room 1K (11:10 - 11:25)**

-Présidents de session: M. Settimo

**Supernova neutrinos: Influence of possible quenching of non-IBD background event pulseshapes on the available PSD performance for the DSNB search 15'+5' - Room 1K (11:25 - 11:45)**

-Présidents de session: Matthias Mayer

**Supernova neutrinos: Supernova neutrino analysis: event triggers and event selection 15'+5' - Room 1K (11:45 - 12:05)**

-Présidents de session: MARTA COLOMER MOLLA

**Supernova neutrinos: Supernova model discrimination with JUNO 15'+5' - Room 1K (12:05 - 12:25)**

-Présidents de session: P.-A. Petitjean
