Update on the IVOA Interop Sessions related to Science Platform

vendredi 21 avril 2023 14:10 (10 minutes)

At the IVOA Interop meeting in Bologna in May 2023 we will have two dedicated Plenaries on Science Platforms, but also other WGs and IGs will focus on this topic.

Dave will give us an overview on what is planned so far.

Orateur: MORRIS, Dave (University of Edinburgh)

Jupyter Notebooks for Science Platforms

vendredi 21 avril 2023 14:20 (10 minutes)

Jupyter Notebooks are very popular to bring user code close to data on services. Here I want to present some of the pros and cons of using Jupyter Notebooks on Science Platforms

What is a Science Platform ?

vendredi 21 avril 2023 14:30 (10 minutes)

A bit of a provoking title, Dave is introducing to the suprisingly vague term Science Platform and give us a good start to a discussion.
