

SPB Meeting 14/04/2023

Formal

MoU

- Hilarious educational moments “one cannot be Professor AND Dr.”, “can’t we add a lab notebook requirement”
- CNRS DERCi speed of light $\gamma=4$: Antoine Petit (CNRS President) signed, prediction 1month, reality 4 months
- DERCi sent paper copies to DESY (Claudia Runge-Siegle) for serial signatures of **DESY**, GSI and **KIT**

Administration

- Formal creation of DMLab on Jan 1, 2023
- Financial administration by DR16 (Paris-Normandie) Lawrence Saint-Eloy
- Travel: works
- Transfers between French labs: works
- Carte Affaire (Mauser, Radio Shack, receptions etc): created
- HR: simulations for sabbaticals now doable

Inspire

- will filter on “DMLab”, “CNRS/IN2P3”
- see [Address](#)
- Please keep track of publications and/or acknowledgments (could be used for evaluation)

Annual Meeting

- KIT: Klaus+Maggie+Gudrun

SPB Meeting 14/04/2023

Activities

French Budget 2023

- Annual meeting: 100% ok (same procedure as last year)
- Additional budget: 20K for travel to Germany (roughly 18-20weeks total)
- Short stays (up to 1 month)
- Collaborative work
- Exploration
- Each project PI-France: send us your request (basically “who, for how long, when”) by April 29 (even if your request is 0, rule of thumb: 160Euros * (days - 2/3) + travel)
- If the budget is oversubscribed, we will discuss with you how to fit in.

French Budget 2024

- EAOM (Entretien Annuel Objectifs et Moyens): presence of DMLab directors + IN2P3 directorate + reps from DESY, GSI, KIT (de facto Steering Committee)
- Think about your requests for 2024: we will meet before summer break to put everything together

Doubts?

- Talk to us (Thomas and Dirk)

Sabbaticals

- Order of 2 per year
- Who is interested and when?
- Need to know 6 months to 1 year in advance for administrative and budgetary reasons
