
AISSAI Anomaly Detection Workshop

Clermont-Ferrand - France, 4-7 March 2024

SECOND ANNOUNCEMENT

Following the first announcement of the [AISSAI Anomaly Detection Workshop](https://indico.in2p3.fr/event/30272/registrations/3645/) (4-7 March 2024), we are pleased to inform you that registration and abstract submission are now open. We invite contributed talks and posters from researchers at all career stages. You can access the registration and abstract submission form on the following webpage: <https://indico.in2p3.fr/event/30272/registrations/3645/>. Please note that each participant is allowed to submit a maximum of 2 contributions.

To ensure participation, please **register by February 5, 2024**. The **deadline for the abstract submission is January 15, 2024**.

The workshop's working language is English and remote participation is not possible.
