

GDR QCD workshop on coherence/incoherence in hadronic & diffractive collisions at DIS and at hadron colliders

ID de Contribution: 8

Type: **Non spécifié**

Discussion round

mercredi 11 octobre 2023 17:00 (30 minutes)

What is known by now?

What is unknown and can be measured soon?

Open theoretical questions:

- conditions necessary for coherent: which scales?
- Scale separations: how to verify experimentally
- treatment of interference of different processes

Orateurs: GAY-DUCATI; KLUSEK; ZHA

Classification de Session: Coherence in hadronic collisions
