

Session Program

27-28 nov. 2023

IRN Neutrino meeting November 27-28 2023

WG2

mar. 28 novembre

10:00

WG2**Session** | **Site:** KIT Campus North, building 401, seminar room 410.

10:00 – 10:20

Leptogenesis during a cosmological phase transition**Orateur**

Rémi Faure

10:20

10:50

WG2: WG2**Session** | **Site:** KIT Campus North, building 401, seminar room 410.

10:50 – 11:10

Falsifying Pati-Salam models with LIGO**Orateur**

Tomas Gonzalo

11:30

11:10 – 11:30

Thermal effects in freeze-in neutrino dark matter production**Orateur**

Salvador ROSAURO-ALCARAZ
