

Artificial Intelligence and the Uncertainty challenge in Fundamental Physics

mercredi 29 novembre 2023

Frugal Unmixing, Reusing, and Sampling (09:00 - 11:00)

-Présidents de session: Christoph Weniger

time	[id] title	presenter
09:00	[54] Introduction at Institut Pascal	
09:10	[18] Data frugal machine learning approaches for unmixing problems in Physics	BOBIN, Jerome
09:50	[8] Publication and reuse of ML models in LHC analyses	KRAML, Sabine
10:20	[41] Machine Learning Assisted Sampling: Applications in Physics	GABRIÉ, Marylou
