Interdisciplinary & Applications: Applications (17:00 - 19:00)

| time | [id] title | presenter |
|-------|--|-----------------------|
| 17:00 | [45] FLASH carbon ion irradiation at GANIL | MERY, Alain |
| 17:30 | [46] Involvement of radiation damage in the densification of mesoporous silicas | DESCHANELS, Xavier |
| 18:00 | [47] On the use of swift heavy ions to study polymers: what next? | NGONO-RAVACHE, Yvette |
| 18:30 | [48] Project for a multidisciplinary irradiation facility using beams from the SPIRAL2 accelerator | PETIT, Eric |
| 18:50 | [49] Discussion Applications & Interdisciplinary | |
