Welcome and local news, Top LHC France, 9th April 2024

Organizing committee

Nicolas Chanon, IPNL Lyon Frédéric Déliot, CEA Saclay Frédéric Derue, LPNHE Paris **Benjamin Fuks, LPTHE Paris**

Workshop venue

Workshop & coffea breaks

- Amphi Charpak

Tomorrow morning (10th April):

- general power cuts on the campus from 7-10 am !
- we are all asked not to enter campus and buildings before 10 am.....
- but we have tight schedule
- so we try to start at 10:15 am
- there won't be coffea break

Tomorrow noon :

- it's holiday period ...
- restaurant Ardoise is closed
- standard CROUS (Restau U) is opened but probably with only 2 rooms over 3 (one need to queue for ticket in one place then go to the queue for restaurant)
- I suggest we go for local cafés & boulangeries
- coffea break from 13:30 to 14:00

Nice partners & sponsors

FRA

LPNHE

This edition received the financial support of the Université Paris Cité (UPC), the Initiative Physique des Infinis (IPI) of Sorbonne Université and the Fédération de Recherche Interactions Fondamentales (FRIF).

Welcome and local news, Top LHC France, 9th April 2024

For speakers

Talks by default have 20 mn + 10 mn for questions

Please keep your time

We want to keep time for the question part

Our schedule is tight

- this evening to go to dinner place + hotels (?)
- tomorrow morning becasue of this power cut
- tomorrow afternoon as people want to catch their trains
