

Euclid-France Workshop on Clusters

mardi 23 janvier 2024

Galaxy clusters: a multi-wavelength view (10:00 - 12:30)

time	[id] title	presenter
10:00	[4] Cluster science with eROSITA	PACAUD, Florian
10:15	[5] CHEX-MATE an overview	PRATT, Gabriel
10:30	[6] Cosmology with Chandra-Planck clusters	AYMERICH, Gaspard
10:45	[7] X-ray galaxy clusters and groups revealed by the X-CLASS survey	CLERC, Nicolas
11:00	Coffee break	
11:20	[9] The NIKA2 Clusters Large Program	
11:35	[10] The future of SZ surveys	
11:50	[11] Discussion: the mass-observable relation and mass calibration
