Between 5 et 12 participants for each presentations

At least one meeting a year between coordinators

Contact via mailing list

Now also advertised by DRD1 newsletter

Finding speakers will likely also be shared with DRD1

Try to reach 9 seminars per year

Other questions

Invite and include more physicists

Link with GdR, first meeting last year in Nantes

=> June 24-26 in Orsay

What/who do you want to see? Do you want to present?

Link with DRD1

Any other ideas?

Next GdN workshop

2013 Lyon	meeting between coordinators
2014 Orsay	gases
2015 Nantes	electronics
2016 Clermont-Ferrand	building technics
2017 Caen	simulation and data analysis
2018 Bordeaux	technological challenges now and to come
2019 Orsay	mechanics of the detectors (now Journées IN2P3)
2022 Grenoble	new constraints for gases, timing, resistivity
2023 Lyon	gas systems and feedback
2024 GANIL	electronics and simulation

Openly hybrid?

Try Annecy? Clermont, Nantes?

Ideas for the topics?
