- October 1: appointment and assumption of duties (with possibility of postponement to the 1st of the following month until February 1 N+1)

Concours CNRS 2021 - offer

- The positions are mostly attached to a **laboratory** and an **activity**.
- When it is not the case (poste blanc), you can propose your project on a given topic and in one (or more) possible laboratories (establish some contact in advance). You can accompany the proposal with a letter from the laboratory director.
- You can apply to several positions
- You don't have to be already active on the given topic you apply for, as far as you are willing to work on it and you prove you have the needed skills to get involved.
