Kyushu island
is famous for the Aso Volcano, which stretches 25 km from north to
south and 18 km from east to west.

Located in the south of Japan, Miyazaki is warm and known for golf, surfing, and mountain climbing.

Takachiho

Japanese legend tells the gods descended here and made land.

Conference Venue to be Miyazaki Kanko hotel (TBC) along the river.

Conference venue to be near city center (TBC)

Miyazaki is famous for mushrooms.)

Miyazaki is the most famous producer of Wagyu beef in Japan (in my opinion)
