

Cosmic Rays and Neutrinos in the Multi-Messenger Era

WELCOME !

Cosmic rays and neutrinos in multi-messenger era

Dec 9-13, 2024

- All talks will be in person, but we have zoom link for colleagues who can not participate in person

<https://u-paris.zoom.us/j/89832401526?pwd=NoYamGtqpT8pWleum6wbaUhVB9A5sr.1>

- To the speakers: don't forget to upload your talk on indico before the beginning of the session. In case of issues, send the slides to semikoz@apc.in2p3.fr
- Don't miss the poster sessions with wine and cheese on 4th floor of APC (on Monday late afternoon and on Wednesday late afternoon). We ask the presenters to be near their posters. Posters can be arranged during lunch time or afternoon coffee.
- Dinner will be on Thursday 12 in the evening.

Cosmic rays and neutrinos in multi-messenger era Dec 9-13, 2024
