Prospects for light exotic scalar measurements at the e⁺e⁻ Higgs factory

Wednesday 9 October 2024 12:20 (15 minutes)

Primary authors: Prof. ZARNECKI, Aleksander Filip (University of Warsaw); BRUDNOWSKI, Bartłomiej (Faculty of Physics, University of Warsaw); ZEMBACZYNSKI, Kamil (Faculty of Physics, University of Warsaw)

Presenter: Prof. ZARNECKI, Aleksander Filip (University of Warsaw)

Session Classification: Parallel - WG1-SRCH

Track Classification: WG1: WG1-SRCH - Physics Potential: Feebly interacting particles, direct low mass searches
