## Prospects for light exotic scalar measurements at the e<sup>+</sup>e<sup>-</sup> Higgs factory

Wednesday 9 October 2024 12:20 (15 minutes)

**Primary authors:** Prof. ZARNECKI, Aleksander Filip (University of Warsaw); BRUDNOWSKI, Bartłomiej (Faculty of Physics, University of Warsaw); ZEMBACZYNSKI, Kamil (Faculty of Physics, University of Warsaw)

**Presenter:** Prof. ZARNECKI, Aleksander Filip (University of Warsaw)

**Session Classification:** Parallel - WG1-SRCH

**Track Classification:** WG1: WG1-SRCH - Physics Potential: Feebly interacting particles, direct low mass searches
