## Probing the nature of HNL at lepton colliders

Thursday 10 October 2024 11:40 (15 minutes)

**Primary authors:** Prof. ZARNECKI, Aleksander Filip (University of Warsaw); REUTER, Jürgen (DESY Hamburg, Germany); MEKALA, Krzysztof (University of Warsaw / DESY)

**Presenter:** MEKALA, Krzysztof (University of Warsaw / DESY)

**Session Classification:** Parallel - WG1-SRCH

**Track Classification:** WG1: WG1-SRCH - Physics Potential: Feebly interacting particles, direct low mass searches
