

Contribution ID: 95

Type: ORAL

Searching for heavy neutral leptons through exotic Higgs decays at the ILC

Wednesday 9 October 2024 14:15 (15 minutes)

Primary author: THOR, Simon (KTH Royal Institute of Technology)

Co-authors: TIAN, Junping (University of Tokyo); Prof. ISHINO, Masaya (University of Tokyo)

Presenter: TIAN, Junping (University of Tokyo)

Session Classification: Parallel - WG1-HTE

Track Classification: WG1: WG1-SRCH - Physics Potential: Feebly interacting particles, direct low mass searches
