

Workshop “Present and future perspectives in Hadron Physics”

ID de Contribution: 25

Type: Non spécifié

Charge-conjugation asymmetry and molecular content: the $T_{cc}(3875)$ and $D_s(2317)$ in nuclear matter

lundi 17 juin 2024 12:10 (15 minutes)

Orateur: Prof. NIEVES, Juan M (IFIC (CSIC-UV))

Classification de Session: Session II
