

Workshop “Present and future perspectives in Hadron Physics”

mercredi 19 juin 2024

Session VI (09:00 - 11:00)

-Présidents de session: Laura Tolos

time	[id] title	presenter
09:00	[11] Review on strangeness hadron physics	RAMOS, Angels
09:30	[12] Jet quenching in heavy ion collisions	SOTO-ONTOSO, Alba
10:00	[13] Thermalization in small and large systems in heavy ion collisions	MAZELIAUSKAS, Aleksas
10:30	[14] High-precision measurements of the strong interaction	VAZQUEZ DOCE, Oton
