

# Workshop “Present and future perspectives in Hadron Physics”

## mercredi 19 juin 2024

### Session VII (11:30 - 13:30)

-Présidents de session: Herve Moutarde

time	[id] title	presenter
11:30	[15] Overview on GPDs and TMDs	PASQUINI, Barbara
12:00	[16] Overview on Parton distributions from Lattice QCD	ZAFEIROPOULOS, Savvas
12:30	[17] Application of Machine Learning for the extraction of parton distribution functions	FORTE, Stefano
13:00	[18] Precision Hadron Spectroscopy - Light and Heavy Quarks	KÜSSNER, Meike
