

Workshop “Present and future perspectives in Hadron Physics”

mercredi 19 juin 2024

Session VIII (15:00 - 16:40)

-Présidents de session: Chiara La Tessa

time	[id] title	presenter
15:00	[19] Muon g-2 - Theory versus Experiment	VENANZONI, Graziano
15:30	[20] Optimising hadrontherapy: challenges and prospects	CERELLO, Piergiorgio
16:00	[21] What can we learn from Gravitational Wave Signals concerning the nuclear equation of state	REZZOLLA, Luciano
