

Huitième Assemblée Générale du GdR Ondes Gravitationnelles

mardi 15 octobre 2024

COSMOLOGIE - amphithéâtre l'Hexagone (13:30 - 14:30)

time	[id] title	presenter
13:30	[185] Current status of the cosmological analysis pipelines in LVK	REVENU, Benoît
13:45	[186] Debiasing H0 measurements from gravitational-wave and γ -ray burst observations	MANCARELLA, Michele
14:00	[187] Probing cosmic expansion with gravitational wave-large scale structure correlations	BERA, Sayantani
14:15	[188] Detecting dark matter oscillations with gravitational waveforms	VALAGEAS, Patrick
