

Dense Nuclear Matter Equation of State from Theory and Experiments

vendredi 1 novembre 2024

From heavy-ion collisions to neutron stars - 1200 (09:00 - 10:30)

-Présidents de session: Agnieszka Sorensen

time	[id] title	presenter
09:00	[26] Role of CBM-FAIR in Multi-Messenger Pursuit of Dense Matter EOS	AGARWAL, Kshitij
09:30	[27] Hyperonic phase transitions in dense matter	CRUZ CAMACHO, Nikolas
10:00	[28] MUSES – An overview: The nuclear phase diagram puzzle from neutron stars to heavy-ion collisions	JAHAN, Johannes
