Effective Field Theory fits of the electroweak sector CMS data

Thursday 10 July 2025 09:30 (20 minutes)

Recent results on global EFT fits of the CMS data are presented, with particular focus on the electroweak sector of the Standard Model.

Secondary track

Authors: MEHTA, Ankita (CERN); COLLABORATION, CMS

Presenter: MEHTA, Ankita (CERN)

Session Classification: Joint T06+T08 (Top and Electroweak Physics + Higgs Physics)

Track Classification: T06 - Top and Electroweak Physics
