Measurements of photon-induced processes with the CMS detector

Thursday 10 July 2025 08:30 (20 minutes)

Measurements of photon-induced processes are presented, using data collected in Run-2.

Secondary track

T06 - Top and Electroweak Physics

Authors: COLLABORATION, CMS; HE, Zongsheng

Presenter: HE, Zongsheng

Session Classification: Joint T06+T08

Track Classification: T06 - Top and Electroweak Physics
