Source Separation - Cassini (10:00 - 11:45)

time	[id] title	presenter
10:00	[1] Single-channel source separation in wide-field astronomical imaging	BERTIN, Emmanuel
10:30	[9] Component Separation	SIA GKOKOU, Victor Bonjean
10:55	[10] SPT Component Separation Challenges	DALEY, Cail
11:20	[15] Interpretable and scalable deep learning methods for blind source separation	KERVAZO, Christophe
