

GRAVITY+ Workshop / Centers of Galaxies

jeudi 21 novembre 2024

Galactic center / stellar cluster and orbits (10:30 - 12:00)

| time | [id] title | presenter |
|-------|--|-----------------------|
| 10:30 | [18] Kinetic theory perspective on stellar orbits | FOUVRY, Jean-Baptiste |
| 10:50 | [19] Stellar Dynamics in Galactic Nuclei | FLORES, Sofia |
| 11:10 | [20] Sgr A*'s spin and quadrupole moment effects on the orbits of S stars | ABD EL DAYEM, Karim |
| 11:30 | [21] The heart of the Milky Way, from the large scale bulge down to the nuclear star cluster | DI MATTEO, Paola |
