

Session Program

7–10 Jul 2025

**Bridging high and low energies in search of quantum
gravity - 2025 Cost Action CA23130 First Annual
Conference**

Working Group Introductions 1

LPNHE, Amphithéâtre Charpak
4 Place Jussieu 75005 Paris Tour 22

Monday 7 July

13:50

Working Group Introductions 1

Session | Location: LPNHE, Amphithéâtre Charpak, 4 Place Jussieu 75005 Paris Tour 22

13:50–14:40

WG1: Quantum gravity and its phenomenology - theoretical perspectives from high energy

Speakers

Dr Alessia Platania, Christian Pfeifer

14:40–15:30

WG2: What you always wanted to know but were afraid to ask about high-energy quantum gravity experiments

Speaker

Tomislav Terzić

15:30
