Workshop venue

CAMPUS JUSSIEU Plan d'accès au LPNHE

Workshop & coffee breaks
- Amphi Charpak

Tomorrow morning (30th April):
- some changes in schedule
⇒ we start at 9:30 !

Tomorrow noon :
- restaurant Ardoise possible choice
- standard CROUS (Restau U) is opened
but pretty crowded
(one need to queue for ticket in one place
then go to the queue for restaurant)
- I suggest we go for local cafés &
boulangeries

Social event

This year no restaurant all together !

We wanted to do a welcome drink at the 24th level of the Zamansky tower
... but it was not possible (this time)

So instead we organize the welcome drink at the entrance of the Charpak amphiteatr and enjoy the nice weather !

For speakers

Talks by default have 20 mn + 10 mn for questions

Please keep your time

We want to keep time for the question part

Our schedule is tight

- this evening to go to dinner place + hotels (?)
- tomorrow morning because of this power cut
- tomorrow afternoon as people want to catch their trains
