

Programme des sessions

1-3 oct. 2025

Assemblée Générale 2025 du GDR QCD

Wed afternoon

Campus de Luminy, Hexagone
172 Av. de Luminy, 13009 Marseille

mer. 1 octobre

14:00

Wed afternoon**Session** | **Site:** Campus de Luminy, Hexagone, 172 Av. de Luminy, 13009 Marseille**14:30 – 14:50** **Review of the GDR QCD (2021-2025)****Orateurs**

Carlos MUNOZ CAMACHO, Cyrille MARQUET, Michael WINN

15:00 – 15:25 **2024 Thesis Prize****Orateur**

Romain Schotter

15:30 – 15:55 **Energy correlators in heavy-ion collisions****Orateur**

Carlota Andres

16:00 – 16:30 **Coffee break****16:30 – 16:50** **Discussion on the future of the GDR (renewal)****17:00 – 17:20****Testing nuclear coalescence with nuclei-antinucleon / antinuclei-nucleon balance measurements at the Large Hadron Collider****Orateur**

Sushanta Tripathy

17:20 – 17:40**First measurements of Transverse Single Spin Asymmetries in $p^\uparrow + p$ collisions at $\sqrt{s} = 200$ GeV and small x_F with the sPHENIX detector****Orateur**

Virgile Mahaut

17:40 – 18:00**Open quantum system approach to colour dipole transverse momentum broadening in a QGP****Orateur**

Pietro BENZONI

18:00
