Update of European Strategy for Particle Physics

GDR-InF

- Update process in progress!

Credit: CERN

- Contribution summarising general input of the French particle physics community <https://arxiv.org/abs/2504.08759>
- Our GDR coordinated the "intensity frontier" part -- thank you for your input!

Program for 2025

- GDR-InF lectures on form factors organised by MÉRIL (IJCLab Orsay, 22-24 Oct.)
- Annual workshop (Carry-le-Rouet, 12-14 November)
- More proposals welcome

Annual meeting

- Carry-le-Rouet, 12-14 Novembre
- 4 half-days
- First afternoon at CPPM, then bus to the venue
