

Journées de Rencontres Jeunes Chercheur·se·s 2025

November 30th to December 6th 2025 at Abbaye de Saint-Jacut-de-la-mer - France

The “Field and Particles” & “Nuclear” divisions of the French Physics Society (SFP) jointly organize the Journées de Rencontres Jeunes Chercheur·se·s (JRJC) 2025 conference, to be held at the **Abbaye de Saint-Jacut-de-la-mer in the department of Côtes d’Armor (Bretagne, France), from November 30th to December 6th, 2025.**

The 2025 edition is supported by the CNRS-Nucléaire & Particules, the CEA, the FRIF (Fédération de Recherche Interactions Fondamentales) and the research laboratory IJCLab, APC, LAPP, CPPM, LPCA and LPSC.

This conference aims at gathering young researchers who are in their second or third year of PhD, although first year PhD students as well as young post-doc researchers are also welcome to participate. The JRJC are a very good opportunity for the participants to share their research work and get an overview of the latest research developments achieved in his/her field, within a nice and laid-back environment. A proceeding summarizing the work presented will be asked in the following of this conference week, and published in a proceeding book of the event on HAL (e.g. link to the proceedings of the 2024 edition: <https://hal.science/hal-05110108>).

Research topics covered by the JRJC 2025 conference are the following: astroparticle physics, nuclear astrophysics, physics beyond standard model, cosmology, theoretical physics, electroweak standard model, neutrinos, hadronic physics, flavor physics, nuclear structure, nuclear energy, instrumentation, accelerators and medical physics. JRJCs are open to all young researchers, both experimenters and theoreticians!

Presentations can be given either in English or French. The conference social program foresees a half-day trip in the nearby area, a dancing party, as well as an opening seminar.

JRJCs can sometimes be accepted as doctoral training, do not hesitate to contact your PhD school.

REGISTRATION: <https://indico.in2p3.fr/e/JRJC2025>
Registration deadline: Friday October 17th, 2025

Payment of the conference fees, upon registration:

Upon registration: please contact the financial service of your Institute and give them the present notice, to **establish your Mission Order** ("Ordre de Mission"), book your **transportation** and **proceed with the payment**.

Conference fees amount to **350 euros per person**.

They include registration fees, full board accommodation in double rooms, coffee breaks, the excursion and the arrival (Nov. 30th in the afternoon) and departure (Dec. 6th in the morning) shuttles to/from the venue. The details of the shuttle schedule are the following:

- **Departure on Sunday November 30:** 5.45 PM Saint-Malo train station → 6.45 PM Saint-Jacut-de-la-mer.

- **Return on Saturday December 6:** 9.00 AM St-Jacut-de-la-mer → 10.00 AM Saint-Malo train station.

Details for the excursion will be defined later.

The payments can be done:

- **By purchase order** ("bon de commande"), to be sent to compta@sfpnet.fr (SFP accounting department): "SFP Division Champs et Particules JRJC 2025, SIRET 784 544 850 000 18"

Billing address: 33 rue de croulebarbe 75013 Paris.

You will not have to advance the registration fee.

Or, the conference fees can also be paid:

- **By check**, payable to "SFP - Division Champs et Particules (JRJC 2025)", to be sent to the accounting department of the SFP: Marine Jadoule, 33 rue de croulebarbe 75013 Paris.
- **By bank transfer** on the "SFP - Division Champs et Particules" bank account:

Domiciliation : SOC FRANC DE PHYSIQUE

Code banque : 17515 Code guichet : 90000

N° de compte : 08016920967 Clé : 70
