

OSCARS

Open Science Clusters' Action
for Research & Society

Funded Project

OSPARK Bootcamp

Presenter: Yo Yehudi, OLS , 0000-0003-2705-1724

Implemented by

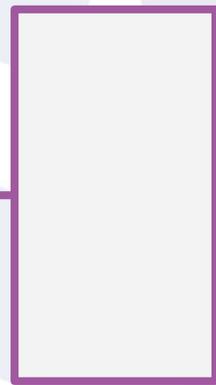

Funded by
the European Union

Joy has a great research idea

Sam has **(the same)** great research idea

They do the research...

But it doesn't have much impact...

Now

10 years later

How can we collaborate, network, and disseminate our open science more effectively?

- Learn from “multipliers”, including marketing, grey literature, and influencers:

6 week course

Emails with information and tasks

2 emails per week

Accountability buddy check-ins

15 minutes per week

Online sessions

1 hour per week

6 weeks

2 days

Onsite workshop

What are the key results achieved to date and how have you made them available to the broader community?

- Curriculum designed: Email course + online/in-person cohort model

OSPARK Bootcamp

March - April 2026

6-weeks Online + 2-days Onsite (Belfast, Northern Ireland)

Funded by
the European Union

How will you make your results sustainable over time - How will the scientific community/-ies further exploit them?

- Materials openly available online (CC-BY)
- Impact & efficiency study, planned to go in peer-reviewed journal

Register now: The next bootcamp is in **Munich** in **July**!
