Pregramme des sessions

25–27 mars 2026

Astro-CC European Data Provider Forum

Welcome and Logistics

Heidelberg
Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

mer. 25 mars

09:00

Welcome and Logistics: Introduction to VO for newcomers
Session | **Site:** Heidelberg, Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

10:30

11:00

Welcome and Logistics: Welcome Block
Session | **Site:** Heidelberg, Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

11:00 – 11:20 **Welcome and Logistics**

Orateur
Markus Hans Demleitner

11:20 – 11:40 **Introduction to Astro-CC**

Orateur
Mark Allen

11:40 – 12:10 **Keynote**

12:10 – 12:30 **Lightning talks**

12:30

jeu. 26 mars

09:00

Welcome and Logistics
Session | Site: Heidelberg, Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

09:00 – 09:15 **Integrated Programmatic Access at ESO**

Orateur

Juan Manuel Carmona Loaiza

09:20 – 09:35

Modernizing ESA Science Archives: Reusable Components and Automated HiPS Generation in a VO-Aligned ecosystem

Orateurs

Antonio Ortega Perez, Laura Masselos

09:40 – 09:55 **Towards FAIR low-frequency radio data**

Orateur

Yan Grange

10:00 – 10:15 **TBD**

Orateur

Freek Verstringe

10:30

11:00

Welcome and Logistics
Session | Site: Heidelberg, Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

11:00 – 11:15 **EPN-TAP access to Solar System data**

Orateur

Stephane Erard

11:20 – 11:35 **Daiquiri - Python based framework for the publication of astrophysical data**

Orateur

Anastasia Galkin

11:40 – 11:55 **SVOCat: Simplifying Astronomical Catalogue Publication for the Virtual Observatory**

Orateur

Raúl Gutiérrez-Sánchez

12:00 – 12:15 **Citing data query**

Orateur

Gilles Landais

12:30

ven. 27 mars

09:00

Welcome and Logistics: tbd

Session | **Site:** Heidelberg, Internationales Wissenschaftsforum Heidelberg Hauptstrasse 242 D-69117 Heidelberg

09:00 – 09:15

Compute4PUNCH & Storage4PUNCH: The Platforms for the analysis and Astronomical Data management

Orateur

Prateek Gupta

09:20 – 09:35   **Bridging Domain-Specific Data Center and Cross-Domain Metadata Frameworks**

Orateur

Victoria Tokareva

09:40 – 09:55   **Update on the Vera C. Rubin Observatory's alert stream**

Orateur

Dr Markus Hundertmark

10:00 – 10:15   **Spectra in the Virtual Observatory — From Under Both Hats**

Orateur

Petr Skoda

10:30
